New development in the Sierra de las Nieves, on the slopes of La Concha, close to the Sierra Blanca Country Club resort, in an area of exceptional natural beauty with hundred-year-old forests and panoramic views of Marbella Bay and the great Istán reservoir.

The new resort comprises 7 small residential nuclei with apartments and semi-detached homes nestling on the side of the mountain.

The new development is connected by wide roads with pavements, landscaped gardens, visitor parking and rural pathways amongst the forest areas so that you can relax in tune with nature. A unique residential experience on the Costa del Sol.

It is reached via the exclusive Marbellí de Nueva Andalucía development up to the village of Istán, with access in just 10 minutes by car to international schools, the Manolo Santana Tennis Academy, the best golf courses, shopping and leisure centres along with the incredible beaches of the Golden Mile.

All the homes have unrestricted views with a south-easterly aspect towards the Marbella Bay and Gibraltar.

The project includes 4 blocks of 3 floors with homes in contemporary “open plan” style but with a rustic appearance that blends into the natural surroundings. Apartments with 2 and 3 bedrooms and penthouses with a solarium, with large terraces, communal pool and gardens with autochthonous plants.

The homes are delivered fully equipped, with premium brand finishings, ready to move in. They also have an underground parking space and a storeroom.

About Us

IPP Spain is a family run real estate agency which has been working on the Costa del Sol for 20 years. We look after clients wanting to buy property from Malaga all the way to Estepona - from studios and apartments to multi-million euro villas. Some people are looking for their dream second home, others want a lucrative holiday rental property and many are now relocating to Spain for a change in lifestyle.

We are a mix of Spanish and English speakers and our aim is to make the property buying experience in Spain a pleasure for our clients.

We help them every step of the buying process, including support finding Spanish mortgages and connecting them with our own lawyers who offer a special discount for our clients.

We also offer a property management service for those clients who wish to rent out their properties for winter or long-term rentals.

We have access to all the new build projects, saving you a lot of time and being able to guide you with our market knowledge. Buying directly from the developer will not save you any money.
