Costa del Sol, Fuengirola

Nestled in the charming locale of Los Pacos, Fuengirola, this exquisite penthouse offers an unparalleled living experience. Spanning an impressive 117 m², this residence is a haven of tranquillity and elegance, boasting breathtaking panoramic views that capture the essence of Malaga's picturesque landscape. Designed with families in mind, the penthouse features three spacious bedrooms and two well-appointed bathrooms, ensuring ample space and privacy for all occupants. The open concept living room and kitchen exude a warm and modern charm, perfect for both relaxation and entertainment.

The highlight of this remarkable property is undoubtedly its expansive terraces. These outdoor spaces provide the ideal setting for unwinding under the sun or hosting delightful dinners with friends, all while enjoying the stunning vistas that stretch out before you. The penthouse is entirely exterior, allowing for an abundance of natural light to flood every corner, creating a bright and inviting atmosphere throughout. Equipped with individual air conditioning units in each room, marble flooring, and double glazing, the property ensures comfort and efficiency in every season.

Built in 2009, the building offers a private garage and a generous 30m storage space in the basement, adding a layer of convenience for residents. The communal amenities include a large swimming pool and meticulously maintained common areas, providing a resort-like experience right at your doorstep. The location is truly exceptional, with easy access to essential services, educational centres, playgrounds, and sports facilities, making it an ideal choice for families seeking a vibrant and convenient lifestyle.

This penthouse in Los Pacos is more than just a home; it is a lifestyle choice that combines luxury, comfort, and practicality in one of Fuengirola's most sought-after neighbourhoods. With its prime location and outstanding features, it presents a unique opportunity to embrace a life of elegance and ease in the heart of Malaga.
