This development represents a significant elevation in the concept, quality and lifestyle within the resort. The contemporary design captures the sensations this prime location engenders whilst the natural materials used throughout the construction create a powerful connection with the natural surroundings. The property encapsulates everything that represents all the best taken to new heights. The construction is proposed in two phases, corresponding to the 2 distinct levels of the prime hillside position thereby taking full advantage of the privileged position on which will sit our finest development to date.
