Here, Mediterranean light meets Scandinavian design and quality, only 5 minutes from the beach, with sweeping views of the sea and surrounding mountains.

Developed by a Scandinavian-led team with extensive experience on the Costa del Sol, this project is designed with a strong focus on quality, privacy, and flexibility. Each villa is carefully positioned to ensure open views, natural light, and a sense of calm – without compromise.

A home designed around you

Each villa offers approximately 265 m<sup>2</sup> of built area, including:

- around 150 m<sup>2</sup> of interior living space
- a 60 m<sup>2</sup> private rooftop terrace
- private gardens of 150–230 m<sup>2</sup>
- private swimming pool
- 55 m<sup>2</sup> private garage/basement with elevator access to all floors

What truly sets the project apart is the freedom to personalize. From layout to materials, kitchens, bathrooms, and finishes, nearly every interior detail can be tailored to suit your lifestyle, with guidance from the developer throughout the entire process.

Light, views & outdoor living

The villas are oriented south to southwest, ensuring afternoon and evening sun across terraces, gardens, and pool areas. Bedrooms and morning terraces open gently to the east, welcoming soft morning light.

Each rooftop terrace offers panoramic views over Fuengirola Bay, the Mediterranean Sea, and the Mijas mountains, and can be customized with lounge areas, an outdoor kitchen, jacuzzi, or left minimal – entirely your choice.
